Disclaimer

For any special request you may have, do not hesitate to contact us at ground.operations@trade-air.com.

Any catering upgrade shall be defined and charged in advance. You shall provide exact quantities of every item.

Order must be provided 5 working days prior flight at latest.

You must note no reconciliation is possible, neither on board sales can be arranged.

As some stations do not have catering providers, we apologize in advance for situations where we are not able to provide on board catering services.

Prices for catering upgrade orders for all flights with origin in a NON – EU country shall be quoted seperately
